

### Background

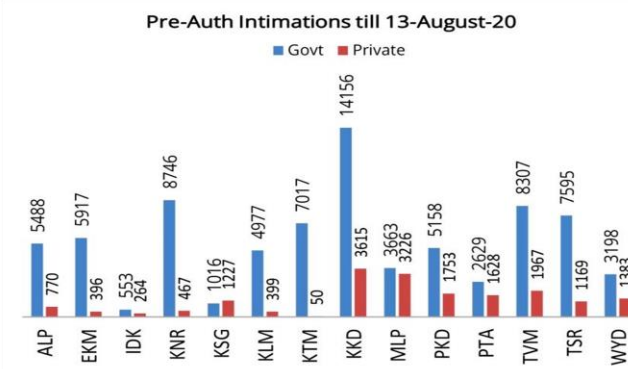

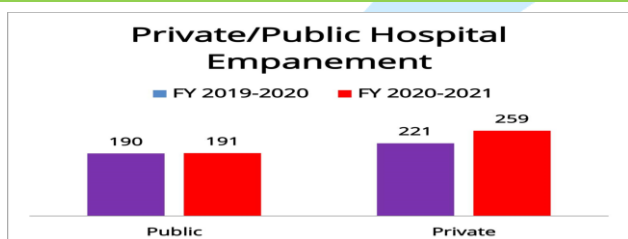

Karunya Arogya Suraksha Padhathi (KASP) went on assurance mode from 1<sup>st</sup> July 2020 onwards. A designated State Health Agency (SHA) formed under Department of Health and Family welfare to manage the functioning of the scheme. State Health Agency appointed state officials and district officials. As an IT infrastructure change, Health Benefit Package (HBP) got upgraded from 1.0 to 2.0 and Transaction Management System (TMS) got upgraded from 1.0 to 1.5. Various training programmes conducted by the capacity building team for all the stake holders involved in the scheme.

The activities of SHA have been initiated from 1<sup>st</sup> July 2020. This document will help to understand the various activities of SHA from 1<sup>st</sup> July 2020 to till date.
