Letter No.58/2020/HNQA/SHA dated 09.06.2020

From
 Executive Director,
 State Health Agency.

To
 EHCP

Dear Sir/Madam,

Sub:- Empanelment of Private Hospitals under AB PMJAY-KASP reg.

Greetings from State Health Agency.

As per the Government decision, the implementation of AB PMJAY-KASP in the State of Kerala will be taken over from the Insurance Company by the newly constituted State Health Agency (SHA) starting 1st July 2020. In Private EHCPs (Empanelled Health Care Providers), the scheme will be implemented with the support of a Third Party Administrator, M/s.Health India TPA Services Pvt. Ltd. approved by the Government through a transparent tender process.

To ensure a seamless transition in to the new mode of implementation, the following activities are to be completed.

1. EHCP should sign an agreement with the SHA. To quick start the process, hospitals are advised to revert back with no objection/willingness as reply email by **14th June 2020**. After receiving email from your side, we will proceed further with the signing of revised agreement for the new period starting 1st July 2020.
2. Enclosed in this email is the new Health Benefit Package (HBP 2.0) with updated rates. Kindly go through and get acquainted with the new treatment package rates.
3. To smoothen your on boarding, ensure all required IT Infrastructure are in place and functional in compliance to NHA guidelines.
4. EHCP should update their details in the Hospital Empanelment Module portal as per the requirements of AB PM-JAY-KASP (eg: Financial details, Accreditation details, Manpower, Specialities etc.)

Please comply with the above guidelines on priority for a smoother transition to the mode of scheme implementation. For any clarifications, please feel free to call Dr.Vimal V, Manager (Hospital Network & Quality Assurance) at 9961210444.

Yours faithfully,

Executive Director (SHA)
