**CIRCULAR****Sub: SHA- Clarity regarding the HR hired by EHCPs-reg**

The public/private hospitals empanelled with the State Health Agency for the implementation of KASP / KBF / Sruthitharangam schemes, etc., may have appointed employees to run the schemes at their institutions. The appointment of such employees is not done by the State Health Agency, Kerala, either directly or indirectly.

It has been observed that the employment certificate provided by certain EHCPs to such employees creates a misleading impression that these employees were employed under the State Health Agency, Kerala.

It is clarified that the State Health Agency has no authority over the human resources hired by the empaneled hospitals and has no responsibility or liability over the services rendered by them.
