

Quality Initiatives under Ayushman Bharat

Pradhan Mantri Jan Arogya Yojana

Objectives of Quality Assurance

- ✓ Providing '**Quality healthcare**' to beneficiaries is prime motto of the scheme
- ✓ Ensuring transparency in care provided to patient and reducing fraudulent cases
- ✓ Build a network of empaneled healthcare providers delivering quality clinical and support services while following the healthcare protocols
- ✓ Raise the awareness about quality care and establish quality system in all empaneled hospitals

AB-PMJAY Quality Certification Process for Continuous Quality Improvement

AB PM-JAY Quality Certification Process for Continuous Quality Improvement

- To provide **Quality of services, Enhance patient satisfaction and improve Standard of care** across empaneled hospitals
- PM-JAY established a **3 level Hospital Quality certification process - Bronze, Silver & Gold**
- **Incentivize certified (Bronze) hospitals** with higher reimbursement rates
- NHA has collaborated with the Quality Council of India to **use well established systems, skill set, and credibility** for the certification process

How to Achieve AB-PMJAY Bronze Quality Certificate

Eligibility & Steps for Certification Process

- Hospitals that are **empanelled or not empanelled** with AB PM-JAY
- Do not possess any accreditation or certification** from any other recognized certification body (NQAS, NABH & JCI) can apply for this certificate
- 53 standards & 182 means of verification** (Inputs, Clinical and Support services, patient care and Health outcomes)

Benefits of the Bronze Quality Certification

Support to Create Quality Culture

- Helps hospitals to acquire recognized quality standards
- Captures all the aspects of patient care and safety
- Standards are also universally applicable

Nationwide Recognized

- List of certified hospitals published online in a public domain
- Helps hospitals obtain a recognition among its peers

Increased Credibility of EHCP

- Certificate will establish trust amongst the beneficiaries for quality treatment

Increased Patient Safety and Care

- Certification focuses on quality protocols and patient safety
- Helps hospital in increasing their service quality with time

Incentive of 5% on Base Package

- An additional 5% incentive on the base package rates for hospitals achieving Bronze Quality Certification

The summary of the chapter of Bronze Quality Standards are as follows

Chapters	No. of Standards	No. of Means of Verification
Chapter 1 : Key Inputs	10	40
Chapter 2 : Clinical Services	11	41
Chapter 3 : Support Services	10	40
Chapter 4 : Patient Care	11	41
Chapter 5 : Health Outcome	11	20
Total	53	182

Chapter 1: Key Inputs

KI 1	Physical facility of the building and hospital environment shall be developed and maintained for the safety of Patients, visitors, and staff
KI 2	Hospital should have adequate space for ambulance and patient movement
KI 3	Access to the hospital should be provided without any physical barrier and friendly to people with disabilities
KI 4	The indoor and outdoor areas of the facility should be well-lit
KI 5	Basic amenities should be provided for all patients, hospital staff and visitors
KI 6	The hospital should ensure that all medical staff is adequately credentialed as per the statutory norms
KI 7	The facility has functional equipment & instruments as per scope of services
KI 8	Hospital should have fire detection and fire-fighting equipment installed as per fire safety norms along with staff training
KI 9	Staff involved in direct patient care shall be trained in Cardio Pulmonary Resuscitation (CPR) and Basic Life Support (BLS) along with a display of the same in all critical care areas
KI 10	Annual Training Plan should be prepared for all staff covering all training needs.

Chapter 2: Clinical Services

CS 1	Patients privacy should be maintained in Out Patient Department (OPD) and In-Patient Department (IPD)
CS 2	The lab diagnostic services, whether in house or outsourced, should be as per the scope of services
CS 3	Blood bank services if available shall be as per the statutory/regulatory norms.
CS 4	The hospital should adhere to the radiation safety precautions as per the regulatory requirements
CS 5	Intensive Care unit (ICU) services should be available as per the scope of services along with the required infrastructure and manpower
CS 6	OT complex should be available as per the regulatory requirements
CS 7	Look-alike and sound-alike medicines need to be identified and stored separately to avoid any dispensing and administration errors.
CS 8	Policies and procedures for identification, safe dispensing and administration of all high-risk medicines should be documented and implemented
CS 9	The facility has defined and established antibiotic policy
CS 10	Pre-operative, Intra-operative and post-operative assessment should be done and documented by appropriately qualified staff in standardized format.
CS 11	Pre-Anesthesia assessments, type of Anesthesia and Post Anesthesia status should be documented.

Chapter 3: Support Services

SS 1	Hospital should be clean and have well managed flooring
SS 2	Temperature control and ventilation should be maintained in patient care and nursing area
SS 3	The hospital should have arrangement of water storage and should be tested periodically as per requirement
SS 4	The hospital should have 24 hours supply of electricity, either through direct supply or from other sources
SS 5	Medical gases and vacuum shall be made available all the time and stored safely. Compressed air should be made available as per the scope of services.
SS 6	The facility should adhere to the practices specified under statutory compliances as per the scope of services - Licenses with Certificate number, date of issue and date of expiry
SS 7	The hospital should ensure that appropriate infection control practices are being followed along with hand hygiene practices
SS 8	Hospital should ensure Bio-Medical Waste management practices as per the statutory norms (BMW (Amendment) Rules, 2018)
SS 9	Hospital should ensure that services i.e. (Laundry, Housekeeping, Dietary, security, Ambulance, Mortuary, Central Sterile Supply Department (CSSD) etc. are available (in-house or outsourced).
SS 10	Sexual harassment and grievance handling procedure should be available.

Chapter 4: Patient Care

PC 1	Hospital should have uniform and user friendly signage system in English and in the local language understood by Patient / family and community.
PC 2	All signage those are required by law should be displayed at all strategic location
PC 3	Contact information of key medical staff and specialist should be readily available in the emergency department
PC 4	Service counters for the enquiry are available as per the patient load and are duly managed by hospital staff for the registration of patients
PC 5	Hospital should have established procedure for admission of patients
PC 6	The patient should be referred to another facility along with the documented clinical information, in case of non-availability of services and/or beds.
PC 7	General Consent and Informed Consent should be taken during the admission and before any procedures /surgery and anesthesia/ sedation.
PC 8	User charges are displayed and communicated to patients effectively at the time of registration, admission to the ward and in case of a change in medical and surgical plan.
PC 9	Patient should be properly educated on additional care as deem required and all the vital information should be recorded for continuity of care.
PC 10	Hospitals should ensure that all medications and associated instructions are written in the prescription

Chapter 5: Health Outcomes

HO 1	Monthly Out Patient Department (OPD) and In-Patient Department (IPD) census
HO 2	Mortality Rate and average length of stay
HO 3	Infection Rates - Surgical Site, Urinary Tract, Blood Stream, Ventilator Associated (VAP)/ Hospital Acquired Pneumonia
HO 4	Transfusion reaction (if applicable)
HO 5	Bed occupancy
HO 6	Percentage of Patient satisfaction
HO 7	Percentage of Employee satisfaction
HO 8	Waiting time - Out Patient Department (OPD) and discharge
HO 9	Reporting of Adverse events
HO 10	Reporting of Thefts / Security related incidents
HO 11	Reporting of needle stick injuries

How to Achieve AB-PMJAY Gold & Silver Quality Certificate

Steps for Silver & Gold Quality Certification

- When registration for certification is done the application should be completed within 15 days
- After Desktop assessment, if an NC is raised the private hospital gets 10 days to reply the NC's. For Govt. Hosp. its 15 days

Silver Quality Certificate for AB PM-JAY

Silver Quality Certificate is the second level of AB-PMJAY Quality Certification.

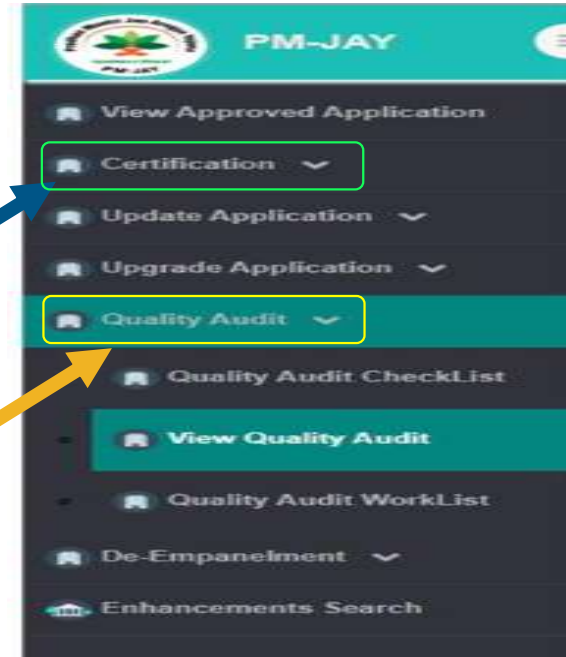

- Revised terminology for already existing outcome – based incentivization structure **ie Entry level NABH..**
- It indicates that hospital has better quality of services and patient care.
- Need to focus next on organization centered standards – responsibility of management system.
- Intended to motivate hospitals to keep increasing the level of quality in their services.
- Additional financial benefits –incentive of 10% for the entry level.

Questions for AB PM-JAY Gold / Silver Quality Certification:-

Questions are divided in two parts-

1. AB PM-JAY Specific Questions (25)

2. Quality Audit Checklist Questions (20)

Note:- After completion of Quality Audit Checklist please submit and take Screenshot and this Screenshot should be upload as an evidence of AB PM-JAY Specific Question number – 25.

Gold Quality Certificate for AB PM-JAY

Gold Quality Certificate is the highest level of AB-PMJAY Quality Certification.

- Revised terminology for already existing outcome – based incentivization structure ie **NABH full /NQAS** to AB PM-JAY Gold Quality Certification.
- Signifies that the certified hospital is complying with most of the healthcare protocols to ensure best quality of services and patient care.
- Additional financial benefits –incentive of 15% for **NABH Full/NQAS** Accreditation over health benefit packages.

Questions for AB PM-JAY Gold / Silver Quality Certification:-

Q. No.	Detailed parameters
1	Are 'scope of services' registered under AB PM-JAY clearly defined and displayed at prominent place (e.g. Hospital entrance, Registration area, Waiting area, etc.) ?
2	Are 'scope of services' registered under AB PMJAY displayed bilingually (one local language and another Hindi or English)?
3	Is the hospital staff aware of 'scope of services' registered under AB PMJAY?
4	Is there a dedicated kiosk/ counter for AB PMJAY at prominent place in the hospital?
5	Is the kiosk/ counter manned by Pradhan Mantri Arogya Mitra (PMAM)/ trained staff during the operational hours (e.g. Arogya Mitra & its Duty list) ?

Questions for AB PM-JAY Gold / Silver Quality Certification:-

Q. No.	Detailed parameters
6	Are required equipment's provided to Arogya Mitra for AB PMJAY beneficiary identification?
7	Does the hospital have a dedicated team for AB PMJAY?
8	Does the hospital have at least one Pradhan Mantri Arogya Mitra (PMAM)/ dedicated person per shift appointed for looking after the work of Ayushman Bharat Scheme?
9	Does the nominated AB PMJAY team have doctor(s) engaged?
10	Does the nominated AB PMJAY team have a member from administration department?

Questions for AB PM-JAY Gold / Silver Quality Certification:-

Q. No.	Detailed parameters
11	Does the hospital have AB PMJAY specific IEC materials near hospital entry and at prominent areas?
12	Does the AB PMJAY kiosk/ counter has IEC materials pertaining to AB PMJAY on or near it?
13	Has hospital conducted any promotional activity (like camping) for spreading awareness regarding the AB PMJAY scheme?
14	Is hospital's scope of services mapped with hospital's Manpower/Human Resources?
15	Do the hospitals maintain proper medical records for AB PMJAY patients?

Questions for AB PM-JAY Gold / Silver Quality Certification:-

Q. No.	Detailed parameters
16	Is AB PMJAY claim process documented in the hospital's policies?
17	Does the hospital charge any extra money from AB PMJAY beneficiaries?
18	Are the deployed staff members trained for HEM portal?
19	Are the deployed staff members trained for TMS portal?
20	Are the deployed staff members trained for BIS portal?

Questions for AB PM-JAY Gold / Silver Quality Certification:-

Q. No.	Detailed parameters
21	Does the hospital maintain proper records for AB PMJAY referred beneficiaries?
22	Number of AB PMJAY beneficiaries referred to AB PMJAY hospitals in last 6 month
23	Number of AB PMJAY In-Patient Department (IPD) census for last 6 months
24	Does the hospital collect feedback during discharge from AB PMJAY beneficiaries?
25	AB PM-JAY quality audit checklist filled regularly in HEM portal?

2. Are 'scope of services' registered under AB PMJAY displayed bilingually (one local language and another Hindi or English)?

Sub: Appointment for the post of Medical Clinical Coordinator (Trainee)

With reference to your Campus interview held on 14.11.2016 at this institute for the post of **Medical Clinical Coordinator (Trainee)**, we are pleased to appoint you as a **Medical Clinical Coordinator (Trainee)** at this Institution purely on probation with the following terms and conditions.

- 1 You will have to join the post within a week from the date of issue of this letter or within the time limit extended on your request by the Institute, failing which your appointment order will be treated as cancelled.
- 2 Your appointment has been made for a period of six months from the date of joining purely on probation. The probation period may be extended at the sole discretion of the Institute or your service may be dispensed with earlier either during the probation period or during the extended period of probation. You will continue to be on Probation without any increment till you are given confirmation letter by the Institute.
- 3 On completion of probation period satisfactorily, your appointment will be on contractual basis for a period of **TWO YEARS** which includes the probation period.
- 4 Your appointment will not be treated as confirmed employee, unless you are given confirmation letter by the Institute and the period would automatically expire after the completion of the said period, and there will be severance of relationship between you and the Institute.
- 5 You have to undergo special training for **3 months** at the institute and during such training period, your pay will be **Rs.25000/- (Rupees Twenty Five Thousand Only)** per month. After completion of successful training satisfactorily, your pay will be **Rs.27500/- (Rupees Twenty Seven Thousand Five Hundred Only)** per month. No other allowances of any kind will be admissible. You will be ordinarily given **10%** yearly increment.
- 6 Group Health Insurance & other benefits would be given as per the rules of the Institute. EPF & Gratuity will be applicable as per the rules.
- 7 During probation period your services shall be liable for termination without any notice. No notice of termination is necessary on expiry of probation period or at the end of contractual period.
- 8 In view of the fact that you are working in Cardiac Institute it would be mandatory for you to give **"two months"** notice for getting relieved from the services for the Institute before leaving the job during the period of contractual appointment. Unless your resignation is accepted following proper formality, experience certificate and No Objection Certificate will not be issued. You will hand over the books, journal or any other property of the Institute to the concerned officer and produce no due certificate before you are relieved.

9. Does the nominated AB PMJAY team have doctor(s) engaged?

2D-ECHO (without Plate) - 2D Echocardiography Report

Patient Name: BALUJI P. KATARIA
UNMI ID: UNM-2019-10-078711
Age/Sex: 65/M
Referred By: Dr. Shrinath Subbar (C-12980)
Performed By: Dr. Manojkumar S. Pundli (99033)
Report Date: 01-Oct-2019 10:23
Register Date: 01-Oct-2019 12:16
Visit No.: 079201910022537

Test Results:
Echo Findings:
Aortic Valve: Normal
Aortic Valve: Normal
Tricuspid Valve: Normal
Pulmonary Valve: Normal
Aortic: 28 mm
LV Anterior: 28 mm
LV Di/Ds: 44/28 mm
Right Atrium: Normal
Right Ventricle: Normal
IVS & IAS: Intact
Pulmonary Artery: Normal
Pericardium: Normal
C-WP: W. Color: Trivial MR, Trivial AR, Trivial TR
Doppler Flow Mapping: MVIS: valve: mv.

Other Findings:
Normal LV size and Moderate LV Systolic dysfunction with 42% LVEF of 42%
Reduced LV compliance
